## Summary

Experienced professional passionate about driving innovative solutions at the intersection of software development and IoT technology. Hands-on experience in an assortment of technologies like Java, Asp.Net, React, Java, SQL, Azure and ETL(Extract, Transform, Load) tools. Able to effectively self-manage during independent projects, as well as collaborate in a team setting.

## Skills

Languages/Frameworks: Java • SQL • SAP ABAP • .NET Core MVC • C • JavaScript • Python • Microservices • React.js

PLM: SAP PLM • Windchill PLM

Tools: Talend Open Studio(ETL) • Git Hub • Postman

DevOps & Cloud Technologies: Azure IoT • Docker • Kubernetes

## Experience

### Windchill Migration Consultant

#### Cognizant

- Lead data extraction from SAP using a custom utility written in ABAP.
- Saved atleast a month of time for the client for every extraction.
- Transform raw data which was loaded to windchill in multiple phases (ETL).

### Azure IoT Engineer

#### Cognizant

- Developed and implemented a comprehensive air quality management system utilizing ASP.NET for back-end development, React.js for the front-end, and hosted the application on Microsoft Azure.
- Integrated multiple device simulators into the Azure IoT Hub to replicate real-world air quality data scenarios.
- Successfully presented the solution to a Cognizant panel and received certification for the role.

### SAP ABAP Consultant

#### Cognizant

- Developed ABAP custom utilities for specification management. The utility helped team to create specification in SAP in bulk with ease.
- The specifications were read from an excel file and correspondingly created in SAP environment.

## Education

Dayananda Sagar Academy Of Technology And Management

Bachelor's in Mechanical Engineering (Graduated first class with distinction with a CGPA of 8.05)

Bengaluru

2017 - 2021

## Certifications

Microsoft AI 900 — Microsoft

GenC Digital Honors (IoT Engineer) — Cognizant

## Passions

### Interest/Hobbies

Love to read and learn new technologies in the industry

### Sports

Football, Basketball, MMA
